Project values range from £50,000 to £750,000. Some of the schools are listed below:

- Christ the King Catholic High School, Birkdale
- Holy Trinity CE Primary School, Southport
- Holy Family Catholic Primary School, Southport
- Holy Trinity CE Primary School, Formby
- SS Peter & Paul Catholic Primary School Kirkby
- St Vincent's Catholic Primary School, Penketh
- St Paschal Baylon Catholic Primary School, Childwall

Rigby Contractors have a professional approach to their work and communicate well with clients during contracts. Works are finished on time and within budget, to the satisfaction of both the practice and client.

We will continue to use Rigby Contractors for projects and have no hesitation in recommending them for inclusion on tender lists.

Yours faithfully
